Our Work

“Carrie took the time to listen to us and clearly understood the business objectives that we wanted to achieve with our office relocation. A Letter of Intent was quickly drafted – during a holiday week – and the terms of the business lease with one of the building owners were thoughtfully negotiated by Carrie. In the end, Carrie’s tenacity brought critical negotiations to a successful conclusion in less than 48 hours. I was both pleased and impressed.”

M. CAROL FOX, PRESIDENT, COLUMBIA GAS OF PENNSYLVANIA, INC.

“Carrie Holstead is a trusted advisor on whom I have relied to resolve all of Forever’s corporate real estate needs. She has negotiated multiple transactions on our behalf to align our office leasing needs with those of our growing company, and has always delivered superior results. I will be working with Carrie in the future.”

GLEN MEAKEM, FOUNDER, PRESIDENT AND CEO, FOREVER, INC.

“Carrie Holstead took total responsibility for the project and was very pro-active throughout the entire process. Her keen understanding of the corporate real estate market meant we had great access to the available space around Pittsburgh. We toured nine or ten locations in two days, and Carrie did a great job with the RFP from our top choices. Then she became even more pro-active during negotiations of the lease and its terms. She was very successful and got everything we wanted.”

BRYAN C. HONDRU, CHAIRMAN, THE HDH GROUP

“Carrie resolved our corporate real estate needs professionally and cost effectively. Her market knowledge, tenacity, objective advice and negotiating acumen was tremendously beneficial to our organization, as was her assembling the best in class team to design efficient space and stretch our construction dollars. We look forward to working with Carrie again.”

DOUGLAS A. MULLINS, CPA, CHIEF FINANCIAL OFFICER, PRESSLEY RIDGE

“We knew that Carrie was the best person for this important assignment after seeing her in action as a member of Leadership Pittsburgh. Her intimate knowledge of the Pittsburgh office market immediately opened the doors to the best real estate options for our organization. As importantly, her ability to guide us through the step-by-step lease analysis process, and negotiate the best possible business terms, was exceedingly valuable for us in making the right choice for a new headquarters.”

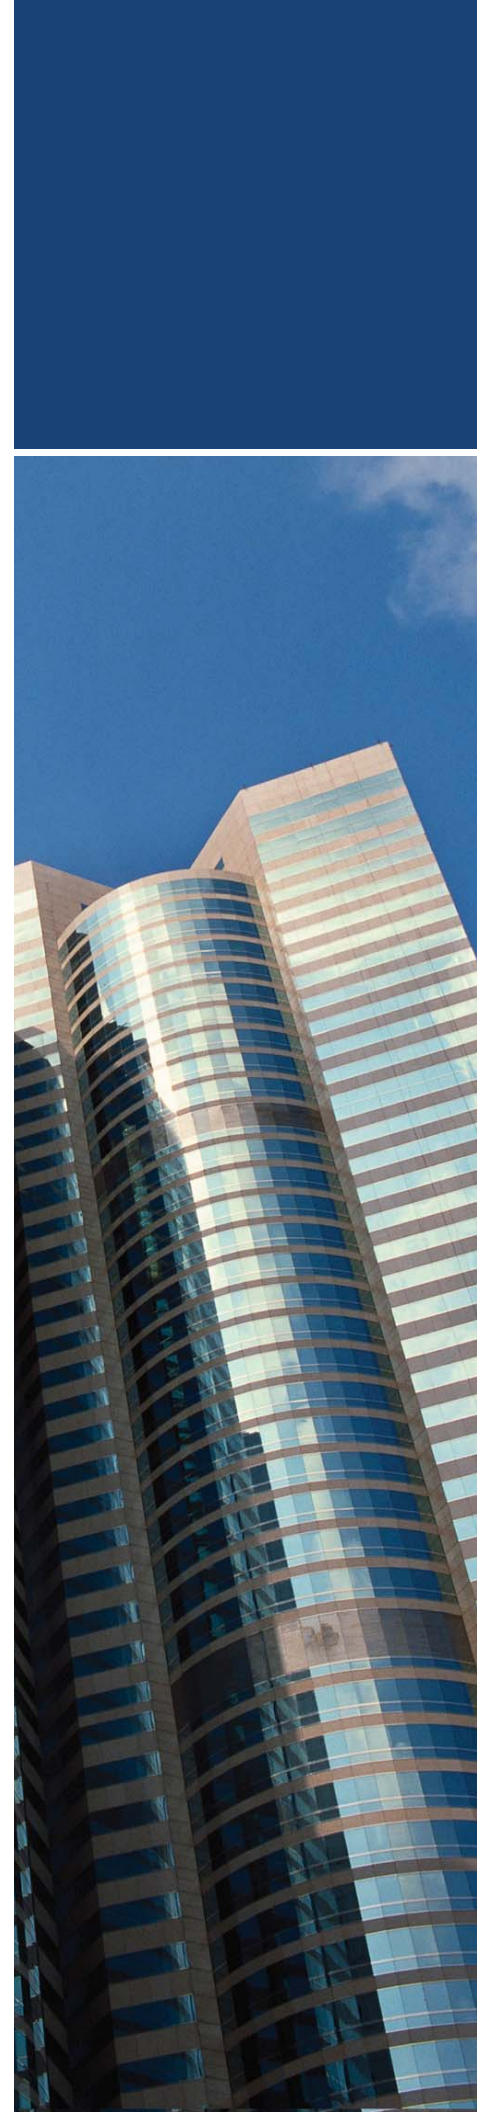

ARADHNA OLIPHANT, PRESIDENT & CEO, LEADERSHIP PITTSBURGH

“All of the research information and financial data that Carrie Holstead put together for us was so complete during the lease review process that I could immediately turn it over to our CFO for analysis. The cost savings was important to us, and Carrie did a fabulous job of understanding our goals, leveraging our requirement, and negotiating a package that protects our real estate needs for the long term.”

JEANNE D. COTTER, VICE PRESIDENT OF QUALITY, N.A. WATER SYSTEMS, A VEOLIA CO.

“I have worked with commercial real estate professionals around the world, and Carrie is one of the best! She is objective, knowledgeable, responsive, and works extremely hard for her clients. Carrie is the tenant advocate you want on your side.”
